

The IEEE Electromagnetic Compatibility (EMC) Society is dedicated to the development and distribution of information, tools and techniques for reducing electromagnetic interference.

The society's field of interest involves engineering related to the electromagnetic environmental effects of systems to be compatible with themselves and their intended operational environment.

This includes:

- Standards
- Measurement techniques and test procedures
- Instrumentation
- Equipment and systems characteristics
- Interference control techniques and components
- Education
- Computational analysis and Spectrum management
- Scientific, technical, industrial, professional or other activities that contribute to this field.

Whether you are an IEEE Member or not, please consider membership in the EMC Society.

MEMBERSHIP IS REWARDING

IEEE EMC Society
Over 4000 Members
Over 73 Chapters
Worldwide

BENEFITS OF IEEE MEMBERSHIP

- World's largest professional association for the advancement of technology
 - 400,000 members
 - 160 Countries
- Over 38 technical disciplines
- Over 1100 conferences per year

TECHNICAL INNOVATION

- Publications and newsletters
- IEEE Spectrum award-winning magazine
- Conferences
- Local technical chapters
- Standards digital library
- On-line access to over 2 million technical papers
- Access to other publishers
- IEEE tv™

EXCLUSIVE MEMBER BENEFITS

- Educational opportunities
- Career advice
- Leadership opportunities
- IEEE Mentoring Connection™
- Networking at local, national and international levels
- IEEE EMC Young Professionals
- My IEEE member web portal
- e-Membership available on-line in designated countries
- Insurance services
- Travel services

EMC SOCIETY MEMBERSHIP

All the IEEE benefits plus:

ESSENTIAL TECHNICAL INFORMATION IN YOUR PROFESSIONAL FIELD

- Yearly International EMC Symposium Conference
- Society specific magazine
- Society specific digital library
- EMC Transactions and Proceedings
- Savings on standards, proceedings and books
- Savings on conference fees
- Local presentations, workshops and tutorials

CAREER DEVELOPMENT TOOLS IN YOUR PROFESSIONAL FIELD

- Education - certificate and degree programs
- Certification preparation
- Global University™ for ongoing EMC education
- Continuing Education Credits
- EMC scholarships and financial assistance
- Leadership volunteer opportunities
- Professional training opportunities available

NETWORKING AND MENTORING IN YOUR PROFESSIONAL FIELD

- Networking - Meet and socialize with your peers
- Connect with innovators and practitioners
- EMC virtual communities
- Discounted membership costs for students
