Note: Those attendees present at this meeting and members not present, will be placed on the distribution list to receive all TC6 communications.

2.0 Members present approved the meeting minutes of the 2009 meeting.

3.0 Elya Joffe gave a short presentation on the possibility of the TC-6 committee reaching out to other agencies on spectrum management issues. Presentation is attached.

4.0 John Carroll from the NTIA laboratory in Boulder, Colorado, gave a presentation on Radar Interference issues. Presentation is attached.

5.0 Bruce Naley gave a presentation on Radar and G4 Compatibility Challenges. His presentation is attached.

6.0 Larry Cohen gave a short talk about the special session that he is hosting. This special session will take place on Tuesday, 27 July 2010, at 1030 hours in room 209. Attendance at the special session was 33 people.

7.0 Group discussion took place on the three (3) TC-6 meeting presentations and all agreed that spectrum management is very important in today's climate with electromagnetic spectrum in short supply.

8.0 Larry Cohen reported that the TC-6 committee reviewed two (2) session papers with both being accepted. TC-6 received zero (0) iNARTE papers for review.

9.0 Meeting officially ended at 1345 hours.
