

# WELCOME TO THE 2014 AWARDS LUNCHEON

IEEE International Symposium on Electromagnetic Compatibility

## EMCawards

IEEE | 2014

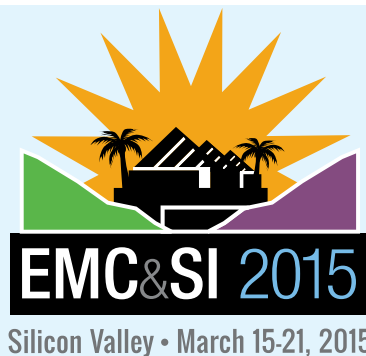

Thank you to the attendees of the 2014 IEEE International Conference on Signal and Power Integrity for joining us in Raleigh at EMC 2014!

**DON'T MISS OUT ON THESE TWO IEEE EMC SOCIETY SPONSORED SYMPOSIUMS IN 2015**

### 2015 IEEE Symposium on Electromagnetic Compatibility & Signal Integrity

Located in the heart of the Great Silicon Valley, Santa Clara, California is home to thousands of the largest high-tech companies in the United States. The region is one of the top research and development centers in the world. This makes the area a perfect location to host the EMC&SI 2015 Symposium. Every year EMC Engineers convene from around the world to stay abreast in the current EMC & SI technology and trends. The IEEE EMC Society invites you to attend this most valuable conference to cooperate with like-minded individuals and to learn from respected industry professionals.

Keeping Interference at Bay

### Joint IEEE International Symposium on Electromagnetic Compatibility and EMC Europe, Dresden 2015

The international IEEE EMC Symposium is taking a journey to the heart of Europe to team up with EMC Europe, the well-established forum for the European EMC Community. Dresden, located in the heart of Europe, is the gateway to the emerging markets of Central and Eastern Europe. In addition, Germany is the world's fifth largest economy. Do not miss this unique event connecting EMC experts from around the globe in the beautiful baroque city of Dresden.

Where Baroque Meets High-Tech
