  - Xi'an VC + S

# Senior Member Program

- *The grade of Senior Member is the highest for which application may be made and shall require experience reflecting professional maturity. For admission or transfer to the grade of Senior Member, a candidate shall be an engineer, scientist, educator, technical executive, or originator in IEEE-designated fields for a total of 10 years and have demonstrated 5 years of significant performance.*
- **EMC-S Senior Member Elevation Workshop** in Santa Clara, March 2015

# Member Grade Elevation and Recognition

- Grades:
  - Honorary Member
  - Fellow
  - **Senior Member** ←-----
  - Member
  - Associate Member
  - Graduate Student Member
  - Student Member

# Requirements for Senior Member Elevation

- 10 years of **Professional Experience**
- 5 years of **Significant Performance**
- References: Required from Senior Members, Fellows or Honorary Members:  
2 if nominated, 3 if self nominated

# Professional Experience - Education

- Education contributes:
  - 3 years for a BS in an IEEE-designated field

or

  - 4 years for a Masters

or

  - 5 years for a Doctorate

# Examples of Significant Performance for Senior Member

- **Case 1** - An applicant/nominee **has a bachelor's degree and seven additional years of professional experience** beyond graduation in an area encompassed by one of IEEE's technical Societies, which meets the requirement of ten years of professional experience. Significant performance can be demonstrated by describing substantial job responsibilities for a period of at least five years. Result: All criteria are satisfied and the application is Approved

## Examples of Significant Performance for Senior Member

- **Case 2** Same as Case 1, except that the applicant/nominee **worked in industry for one year following graduation with the bachelor's degree** and then was a full-time graduate student for two years, obtaining a **master degree**. The applicant demonstrates significant performance during **another five years in industry**. Result: Approved

# Examples of Significant Performance for Senior Member

- **Case 3** An applicant/nominee **has bachelor, masters, and doctoral degrees** in an IEEE-designated field. Five years of significant performance in academia, industry, or government beyond the doctoral degree are demonstrated (e.g., a faculty member with five years beyond the doctorate **and promotion to associate professor**). Result: Approved

# Examples of Significant Performance for Senior Member

- **Case 4** An applicant/nominee **has no degree and has worked for many years in the electric industry as a technician.** Ten years ago, he accepted an **engineering level position** and continued with it since that time. Included was a period of at least five years with demonstrated significant performance. Result: Approved

# Examples of Significant Performance for Senior Member

- **Case 5** An applicant/nominee **retired some years ago** and has not been active recently in the profession. Prior to retirement, the applicant/nominee had at least ten years of professional experience, including five years of significant performance. Result: Approved.
