Annual Activities in 2014

- ***2014 Taiwan EMC Technology and Practice Symposium (June)***
- ***Four Workshops (One per season)***
 - Focused on four rising technologies:
 - Biomedical Electronics EMC
 - 4G Mobile Communications EMC
 - Integrated Circuit (IC) EMC
 - Automotive Electronics EMC
 - Hosted by Chapter Technical Committee
- Organize and prepare ***APEMC 2015***

2013 Taiwan EMC Technology and Practice Symposium

Date: June 27-28, 2013

2013 Q3 Workshop

Date: **Sept. 10, 2013**

Topic: **Electric Vehicle EMC**

2013 Q4 Workshop

Date: Dec. 26, 2013

Topic: Integrated Circuits and Packaging EMC Technologies

Host City: **Taipei**

2015

**Asia-Pacific International
Symposium on Electromagnetic
Compatibility (APEMC)**

2015 APEMC

- In **Taipei, Taiwan**
- A **4-day** Event in **May 2015**
- Symposium Venue: **The Grand Hotel**
- General Chair: Tzong-Lin Wu
- Four Committees:
 - ◆ International Steering Committee
 - ◆ International Advisory Committee
 - ◆ Organizing Committee
 - ◆ Technical Program Committee

Venue: The Grand Hotel

CALL FOR PAPER

Asia-Pacific International Symposium on Electromagnetic Compatibility (APEMC)

The 2015 Asia-Pacific International EMC Symposium and Exhibition will be held in Taipei, Taiwan. The symposium aims to share recent advances in all aspects of EMC in the Asia-Pacific region, to respond the EMC requirements for all rising technologies, and to closely link up the international EMC community. The symposium will cover the entire scope of EMC; especially, it will offer a rich technical program of highest quality, lectures presented by distinguished speakers from all over the world, and a broad forum for interacting between academia and industry. We wish to invite all prospective authors and experts to submit original papers on their latest research. We also encourage the proposals for the topical meeting, industrial forum, workshop, tutorial and exhibition.

Important Date

Special Session Submission Deadline:	July, 4, 2014
Notification of acceptance of the Special Session	August 6, 2014
Preliminary Paper Submission Deadline:	Nov. 1st, 2014
Acceptance Notification:	Jan. 15, 2015
Author Registration Deadline:	Feb. 15, 2015
Final Paper Submission Deadline:	Feb. 15, 2015
Early Registration Deadline:	April 15, 2015

Topics include and are not limited to

- › EMC Standard and Management
- › EMC Measurement and Instrumentation
- › Electromagnetic Environment
- › Transient EMC
- › Power System EMC and Smart Grid
- › System level EMC and Protection
- › Transportation EMC
- › Antenna and wave propagation
- › Electronic Packaging EMC
- › Integrated Circuit EMC
- › Signal Integrity and Power Integrity
- › Wireless Communication EMC
- › Computational Electromagnetics
- › Biomedical Electromagnetics
- › EMC in Nanotechnology and Advanced Materials
- › Wireless Power Transfer
- › Aerospace EMC

Awards

APEMC 2015 recognizes the innovative and high quality research through the following three prestigious awards:

1. "Best Symposium Paper Award" - to honor the authors of papers judged to be of high merit.
2. "Young Researcher Award" - to honor the young authors (must be less than 33 years of age at the Symposium) who have submitted outstanding work in the EMC field.
3. "IEEE EMC society Taipei Chapter Student Award", to honor the authors who possess the IEEE Student Membership, belonging to Taipei chapter, and also who have submitted outstanding work in the EMC field.

The authors of above awards will receive the prize of a certificate and USD\$300.
