

# BeNeLux - Chapter

BeNeLux PowerPoint Map

- Chair: Frank Leferink
- Secretary: Davy Pissoort
- Treasurer: Cees Keyer
- Web Manager: Anne Roc'h

<http://sites.ieee.org/benelux-emcs/>

# Strengths of the BeNeLux Chapter

- Most activities are organised in collaboration with the Dutch EMC-ESD society
- As a result: administrative support by FHI
- IEEE DL lectures are often organised in collaboration with the German chapter to reduce travel costs (/event)
- Both a strong academic and industrial network
- Old tradition started again: Social event during EMC Europe -> increases involvement of members

# BeNeLux dinner

First evening  
during the EMC  
Europe  
conference

  
EMC Europe 2019 BARCELONA

# BeNeLux – Chapter Activities
