Chapter Chair Meeting

We are working hard to recruit new EMC members (currently 27)

- To increase the visibility of the chapter
 - 1) to organize more technical seminars to address the general public;
 - 2) to work with industry partner to organize hands-on sessions.
- To update our chapter website using the new IEEE hosting based on WordPress
 - 1) apply at <https://site.ieee.org/>
 - 2) easy to maintain and has useful feature like posting events.

Ongoing Revamp of Chapter Website

**My favorite gambling movie ...
I must admit I haven't watched many gambling movies.
How about**
